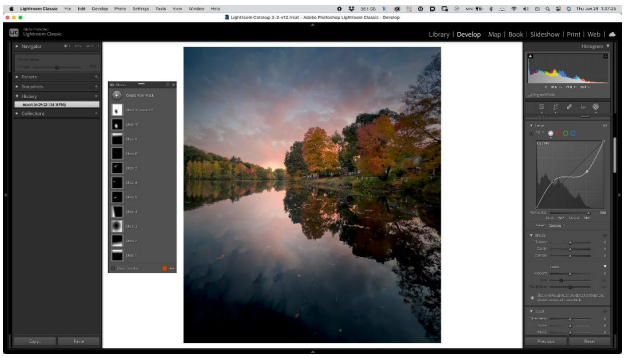
Summer 2024 Programming

Photo Critique / Lightroom Workshop - Tuesday, July 2 & August TBD

Time: 7 - 9:30 pm, Zoom; **Submission deadline:** **Monday before the critique, 6 pm**



Run by Eli Hollander. The Photo Critique group provides the opportunity to receive an informal critique of your photographs from your peers and how to apply Lightroom techniques to editing in order to realize and bring out your photographic concepts . Feedback from varying perspectives enriches the discussion – we will not always agree! The meeting is open to members of all levels, from novice to "advanced," and the critique is constructive.

We will discuss the basic structure and concept of your photos, how to bring out the strengths and underlying basis of your images through editing, and what techniques you might utilize in Lightroom (and sometimes Photoshop) and apply them to your image in real-time to refine and more fully realize your "vision."
